# MEET YOUR DISTINGUISHED FACULTY

## PROGRAM CO-CHAIRS

**John B. Draper** has practiced water rights and natural resources law for more than 30 years. In recent years, he has concentrated on water rights issues, including interstate water rights. He was counsel of record before the U.S. Supreme Court in two interstate water cases, *Kansas v. Colorado* and *Kansas v. Nebraska*. He is counsel of record before the U.S. Supreme Court for Montana on the Yellowstone River litigation.

**Louis W. Rose** has practiced environmental law, including water quality law, for more than 30 years. He represents clients in permitting, groundwater remediation, rulemaking and enforcement matters.

## FEATURED PRESENTERS

**John R. D'Antonio** previously served as the Cabinet Secretary of the New Mexico Environment Department and worked with the US Army Corps of Engineers for 15 years.

**Gary K. King** is perhaps the only current Attorney General in the nation who is also a scientist with a PhD in organic chemistry. Dr. King maintained a private practice as an attorney and served as a state Legislator before being elected Attorney General in 2006.

Dear Colleague,

As a New Mexico water professional, you need to understand the latest developments in law and policy.

As the laws and policies surrounding New Mexico water continue to change, you face new challenges and dilemmas. How should these dilemmas be handled? What is the right answer?

CLE International's 18th Annual New Mexico Water Law Conference will not only address current events surrounding New Mexico water, it will also discuss these dilemmas and provide practical solutions you can use. The faculty, who are experts in their field, will give you the information and insight you need to address the questions you have.

We look forward to seeing you there.

Sincerely,

**John B. Draper, Esq., Program Co-Chair**  
Montgomery & Andrews, Santa Fe

**Louis W. Rose, Esq., Program Co-Chair**
