Dear Colleague:

Stay up to date on the latest issues surrounding water in New Mexico.

CLE International's 19th Annual New Mexico Water Law Conference brings together the experts facing and addressing these issues. You will hear about topics such as:

- **An Overview of New Rulings, Proposed Regulations and Policies**
- **History of New Mexico Adjudications**
- **Does the Rio Grande Project Include Groundwater Rights?**
- **Water Supply Challenges for Municipalities**
- **Implementation of Native American Water Rights Settlements**
- **The Public Welfare Criterion in New Mexico Water Administration**
- **A View from the New Administration**
- **Lessons We Learned from the Dairy Rules**
- **Update on Regulatory and Policy Developments**
- **Local Regulation of Water Quality Issues**
- **Reorganization Issues**
- **Hydraulic Fracturing**

Plus, you will have the opportunity to network with the experts in New Mexico water issues.

We look forward to seeing you in August!

Sincerely,

John B. Draper, Esq., Program Co-Chair
Montgomery & Andrews, Santa Fe
