<p>Program Co-Chairs</p> <p>Eric T. Olsen has practiced in the area of wetland regulation since 1990. He has been involved in the development of regulations governing environmental resource permitting, mitigation banking, wetland delineation and consumptive use. He represents clients before the U.S. Army Corps of Engineers, the U.S. Environmental Protection Agency, the U.S. Fish and Wildlife Service, and the Florida Department of Environmental Protection.</p> <p>Ann M. Redmond is an authority on wetland regulation, with special expertise in watershed and ecosystem scale permitting, cumulative impact assessments, development of functional assessment methods, all aspects of wetland mitigation and wetland policy. She was with the Florida Department of Environmental Protection for 12 years and served as Vice President of Development for Wetlandsbank.</p>	<p>Dorothy Boardman has been with the U.S. Army Corps of Engineers since 1988. She specializes in environmental and regulatory law and litigation. She has taught Regulatory Enforcement for the Corps.</p> <p>Richard W. Cantrell is responsible for overseeing the Department's Bureau of Mine Reclamation, with a staff of 50 full-time employees, and the Department's Office of Submerged Lands and Environmental Resource Permitting.</p> <p>Royal C. Gardner focuses on environmental and international law. From 1989 to 1993, he served in the Army General Counsel's office as the Department of the Army's principal wetland attorney, advising the Assistant Secretary of the Army (Civil Works).</p> <p>Eric Hickman is responsible for ensuring state-wide coordination and consistency in the delineation of surface waters and wetlands. He provides training and guidance in implementing methodology to departments, districts and local governments.</p>	<p>George I. Platt is an AV rated attorney who concentrates his practice in regulatory law, land use and government relations. He is a principal and co-founder of Florida Wetlandsbank and is regarded as one of the pioneers of the mitigation banking industry.</p> <p>Luna E. Phillips has practiced environmental law since 1995. She represents the SFWMD in various projects, including environmental resource permitting projects, and the Comprehensive Environmental Restoration Plan (CERP).</p> <p>Theresa J. Pulley Radwan teaches primarily in the areas of bankruptcy and commercial law. She serves as an advisor to the Duberstein bankruptcy moot court team. In addition, she is the faculty coordinator of the In-House Counsel Internship and the Bankruptcy Judicial Internship.</p> <p>Stuart L. Santos is the Regulatory Program Manager with the U.S. Army Corps of Engineers in the Jacksonville District.</p>
<p>Featured Presenter</p> <p>Lawrence C. Evans has worked for the U.S. Army Corps of Engineers' regulatory program since 1979. He held the position of Chief, Enforcement Branch, for the Jacksonville District's Regulatory Division from 1985 through 1999. In September of 1999, he accepted the position of Chief, Regulatory Branch, for the Corps' Portland District.</p>	<p>Mary Lindgren has more than 10 years' experience in environmental site planning, natural resources management and wetlands mitigation. She specializes in wetland mitigation planning.</p> <p>Frank E. Matthews has developed an extensive regulatory practice and established himself as an expert in environmental/land use law. He specializes in wetlands and surface water permitting.</p>	<p>Roger D. Schwenke has focused on environmental, land use and real estate law for over 35 years. He is a former Chair of the Environmental and Land Use Law Section of the Florida Bar, and serves as liaison from the ABA Real Property Section to the ABA Standing Committee on Environmental Law.</p> <p>Victoria K. Tauxe has been working in her Department's wetland permitting program since 1991 (with a five-year break in Cape Cod) working on mining permits and reclamation, then moving into wetland mitigation bank permitting.</p>
<p>Constance J. Bersok has been working with Florida's wetlands since 1987. She is currently the administrator of Florida Department of Environmental Protection's mitigation and mitigation banking program.</p>	<p>Kathryn Mennella is the General Counsel of the SJRWMD and has represented SJRWMD for 20 years. She was part of the legislative work group that drafted the permit streamlining provisions of the Florida Environmental Reorganization Act of 1993.</p>	<p>Karen West is the Deputy General Counsel with the Southwest Florida Water Management District. She has represented the District since 1995 focusing primarily on environmental resource permitting and mitigation banking issues.</p>
